

Gianmarco Folchi

786-925-0912 • Miami, FL • Gmfolc@gmail.com

OBJECTIVE

Seeking to obtain a full-time internship in the technology industry to demonstrate my passion for Software Engineering in a team environment while gaining in-depth knowledge of the field.

EDUCATION

Bachelor of Science in Computer Science

Expected Spring 2023

University of Central Florida

- GPA: 3.6/4.0
- Major Related Classes GPA: 4.0/4.0
- Member of Hack@UCF Club
- Member of Knights Hacks
- Relevant course work: Intro to Programming with C, Computer Science I, Object-Oriented Programming, Discrete Structures, Computer Logic and Organization

Certified Xcode and Swift Developer

05/2020

Certification

Miami, FL

- Certified Xcode and Swift Developer

EXPERIENCE

IOS Developer

05/2021 – Present

STIR Labs

Remote

- Led development of innovative iOS app which provides informal caregivers with current health data and updates of their patients using the Fitbit API and a Python REST Backend server that connects to a SQL database
- Lead a team of four iOS developers which has aided my development of working in a team environment and leadership skills
- Maintain two iOS apps and servers using Xcode, Swift, Python, and SQL
- Prepare the apps to be used in a study of dozens of participants by implementing new features and fixing bugs

Intern

01/2019 – 05/2019

Artepatio

Miami, FL

- Built accurate plans in AutoCAD software “Sketch Up” and Autodesk Inventor to be used in patio construction
- Learned to collaborate in a development environment while also gaining AutoCAD knowledge from experienced co-workers

Represented SMART Technology at FETC Conference

01/2019

SMART Technology

Miami, FL

- Chosen to be a representative by SMART Technology and introduce their innovative technology at the FETC Conference
- Gained valuable communication experience which has aided my technical communication

SKILLS

- | | | |
